Mission Statement

Sumitomo Corporation Group's Corporate Mission Statement Founded on the Sumitomo's Business Philosophy

Sumitomo was founded around 400 years ago, in the 17th century. Based on the founder, Masatomo Sumitomo's idea of how merchants should conduct business, Sumitomo's modern-day business philosophy "Business Principles" places importance on not being misled by changes that are happening right before us, but pursuing integrity and sound management at all times, rather than easy gains. We must stay a step ahead with an enterprising spirit in dealing with change. Sumitomo Corporation Group's Corporate Mission Statement is based on this Sumitomo's Business Philosophy, which has been passed on for 400 years.

- To comply with laws and regulations while maintaining the highest ethical standards
- To set high value on transparency and openness
- To attach great importance to protecting the global environment
- To contribute to society as a good corporate citizen
- To achieve teamwork and integrated corporate strength through active communication
- To set clear objectives and achieve them with enthusiasm

Who We Are

Sumitomo Corporation Thailand Ltd. (SCTL)

is a wholly owned subsidiary of Sumitomo Corporation Asia & Oceania Pte. Ltd. and an integral member of Sumitomo Corporation (SC) Group, a global trading and investment organization with headquarters located in Japan. The history of Sumitomo dates back to more than 400 years ago and its founding principles, stressing integrity and sound management, have been guiding the growth and evolution of all SC Group companies.

Based in Thailand, SCTL has grown as an integrated business enterprise within the Thai economy since 1960. Our core function trading activities handle a broad range of products from various trade sectors throughout our five business divisions - Metal, Transportation & Construction Systems, Infrastructure, Chemical Electronics Mineral Resources & Energy and Media Digital Living Related & Real Estate. Our activities are supported by the diverse business interests and global network of the Sumitomo Corporation group. Furthermore, as another core function we invest in developing diverse potential businesses.

Sumi - Thai International Limited (STIL)

is a subsidiary of Sumitomo Corporation Group established since 1974 for operating businesses completely under Thai Laws. The management team and personnel of STIL and SCTL are an integrated team, with extensive experience in our trading activities. Our operations in STIL are focused on the same trading and investment functions as SCTL.

Corporate Social Responsibility

Social Contribution Activities

One of the credos of Sumitomo's Business Philosophy, passed down for 400 years, says: "Benefit for self and others, private and public interests are one and the same". This means that Sumitomo's business activities must benefit not only Sumitomo's own business, but also society and the nation. The idea behind this credo represents the essence of corporate social responsibility, and has been carried on in Sumitomo Corporation Group's (the SC Group)

"We aim to be a global organization that constantly stays a step ahead in dealing with change, creates new value, and contributes broadly to society.", Sumitomo Corporation Group's Corporate Mission Statement.

Sumitomo Corporation Thailand Ltd. and Sumi-Thai International Limited, a global organization and one of Sumitomo Corporation Group, we are aiming not only to create and develop a sound business, but also to contribute and continuously drive a sustainable growth in our community as well as in globalization.

Let's Grow Together !
