We have reviewed the accompanying condensed quarterly consolidated financial statements of Sumitomo Corporation ("the Company") and its consolidated subsidiaries (collectively referred to as "the Group") provided in the "Attached Documents" in the quarterly consolidated financial statements, which comprise the condensed quarterly consolidated statements of financial position as at June 30, 2026, the condensed quarterly consolidated statements of comprehensive income, changes in equity and cash flows for the three-month period then ended, and notes to the condensed quarterly consolidated financial statements.

("the Standard") (applying the omissions prescribed in Article 5(5) of the Standard).

Basis for Conclusion

We conducted our review in accordance with interim review standards generally accepted in Japan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Review of the Condensed Quarterly Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements in Japan (including those that are relevant to audits of the financial statements of public interest entities), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

As part of our review in accordance with interim review standards generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the review. We also:

- Make inquiries, primarily of management and persons responsible for financial and accounting matters, and apply analytical and other review procedures. An interim review is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in Japan.

(applying the omissions prescribed in Article 5(5) of the Standard), if a material uncertainty relating to events or conditions comes to our attention that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report on the review of condensed quarterly consolidated financial statements to the related disclosures in the condensed quarterly consolidated financial statements or, if such disclosures are inadequate, to express a qualified conclusion or an adverse conclusion. Our conclusions are based on the evidence obtained up to the date of our report on the review of condensed quarterly consolidated financial statements; however, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate that nothing has come to our attention that causes us to believe that the presentation and disclosures in the condensed quarterly consolidated financial statements are not prepared in accordance with Article 5(2) of Standard for Preparation of Quarterly Financial Statements of Tokyo Stock Exchange, Inc. (applying the omissions prescribed in Article 5(5) of the Standard).
- Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the Group as a basis for forming a conclusion on the condensed quarterly consolidated financial statements. We are responsible for the direction, supervision and review of the interim review on the condensed quarterly consolidated financial statements. We remain solely responsible for our review conclusion.

We communicate with the audit & supervisory committee regarding, the planned scope and timing of the review, significant review findings that we identify during our review.
