#### 2. Reason

Our shareholder return policy in the Medium-Term Management Plan 2026 and thereafter are as follows:

- Pay dividends and repurchase our shares in a flexible and agile manner with a total payout ratio of 40% or higher; and
- Further improve dividend stability and increase dividends in line with profit growth through progressive dividend payments\*.

\* Dividends to be maintained or increased.

The annual dividend for the fiscal year ended March 31, 2026 will be 150 yen per share, taking into account that profit attributable to owners of the parent for the year amounted to 600.3 billion yen. This represents an increase of 10 yen per share from the dividend forecast announced at the time of the announcement of financial results (on May 1, 2025) for the fiscal year ended March 31, 2025.

As the interim dividend for the fiscal year was 70 yen per share, the year-end dividend will be 80 yen per share.
