ESG Communication Book

Editorial Policy

Concept behind sustainability information disclosure
Sumitomo Corporation publishes an integrated report as a communication tool to disclose information to investors and other stakeholders. In the Integrated Report, financial information is combined with non-financial information and initiatives to increase the corporate value over the long term are reported.
We have released ESG (Environment, Social, Governance) Communication Book 2018 to report detailed information on sustainability, mainly non-financial information, from the ESG perspective.

Reporting scope
Sumitomo Corporation and group companies

Reporting period
Business activities mainly in fiscal 2017 (April 2017-March 2018), including some policies and activities before March 2017 and after April 2018.

Month of issue
April 2019
