Mission Statement

Sumitomo Corporation Group’s Corporate Mission Statement Founded on the Sumitomo’s Business Philosophy

Sumitomo was founded around 400 years ago, in the 17th century. Based on the founder, Masatomo Sumitomo’s idea of how merchants should conduct business, Sumitomo’s modern-day business philosophy “Business Principles” places importance on not being misled by changes that are happening right before us, but pursuing integrity and sound management at all times, rather than easy gains. We must stay a step ahead with an enterprising spirit in dealing with change. Sumitomo Corporation Group’s Corporate Mission Statement is based on this Sumitomo’s Business Philosophy, which has been passed on for 400 years.

Corporate Social Responsibility

Social Contribution Activities

One of the credos of Sumitomo’s Business Philosophy, passed down for 400 years, says: “Benefit for self and others, private and public interests are one and the same”. This means that Sumitomo’s business activities must benefit not only Sumitomo’s own business, but also society and the nation. The idea behind this credo represents the essence of corporate social responsibility, and has been carried on in Sumitomo Corporation Group’s (the SC Group)

“We aim to be a global organization that constantly stays a step ahead in dealing with change, creates new value, and contributes broadly to society.”, Sumitomo Corporation Group’s Corporate Mission Statement.

Sumitomo Corporation Thailand Ltd. and Sumi-Thai International Limited, a global organization and one of Sumitomo Corporation Group, we are aiming not only to create and develop a sound business, but also to contribute and continuously drive a sustainable growth in our community as well as in globalization.
